

Leaving Our Beautiful, Life-filled Planet for Future Generations

2nd Midori Prize Award Ceremony (Hyderabad, India COP11 venue; 2012)

In cooperation with the Secretariat of the Convention on Biological Diversity, the MIDORI Prize for Biodiversity was established at the time of COP10 held in Japan 2010, which marked the 20th anniversary of the Foundation's establishment. The award recognizes individuals for their outstanding environmental activities, and to date, 21 individuals from 19 countries have been awarded.
